

**Play value**

Our „Catch me if you can“ games are suitable for two to four people of all age groups. All games can also be set up outdoors. The players bring their own chess pieces. The „Nine Men's Morris“ pieces differ by their colour, the pieces of the "Catch me if you can" game by their different feel – the surfaces are grooved or smooth. The pieces can be easily moved through the lanes, but cannot be removed.
