

Instructions for wear checks of play equipment

The equipment must be checked for correct operation and safety, especially the points listed below:

Proof of maintenance

Playground.....

Date of installation

Checks depend on the type of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year.

Intervals for maintenance work and checks generally depend on:

- location
- usage
- frequency of use
- possible vandalism

For more details see also "General instructions for maintenance of playgrounds".

Sandstone marble run
